## Revue de Weed Millionaire

11 février 2020

Weed Millionaire est une arnaque virale en ligne qui promet faussement aux investisseurs naïfs de gagner des tonnes d'argent.

Avant de devenir la prochaine victime de l'arnaque d'investissement classique, prenez une minute pour lire en détail [les escroqueries d'investissement en ligne](#) .

### Arnaque Millionaire Weed

Le problème avec le logiciel Weed Millionaire, c'est qu'il est identique aux arnaques Bitcoin et Crypto que nous avons détruites l'année dernière. Ils prennent le dernier engouement en matière d'investissement, réalisent une vidéo à ce sujet et envoient des e-mails à des millions de personnes. Si vous regardez l'adresse e-mail de la personne qui vous a envoyé l'invitation, elle provient probablement de [Crypto Genius](#) .

Une autre raison pour laquelle «Weed Millionaire» est une arnaque totale, c'est parce qu'ils affirment que leur logiciel a un niveau de précision de 99,7%. Si vous croyez cela, j'ai un pont à Brooklyn pour vous vendre.

Le site Web n'a été enregistré que le 27 novembre 2018 et il a été mis en ligne le 5 décembre 2018. Dans six mois, le site Web ne sera plus opérationnel et il y aura vingt sites Web différents offrant le même produit.

## Critique originale de Weed Millionaire

Notre examen complet de Weed Millionaire révèle que ce logiciel est en fait faux. Lorsque vous le comparerez à un système de trading automatisé authentique, vous comprendrez pourquoi il n'y a aucune possibilité de gagner de l'argent avec le logiciel Weeds.

We received the same email that you did, and were sent to the website at: <https://weeds-millionaire.com/>. When we signed up, they directed us to an offshore broker, and told us to deposit \$500 there. We tried to find a way to login to the software, and had to go visit: <https://weeds-millionaire.com/app/sign-in>.

We tried to look at the software, but again, we were asked to make a deposit. We wanted to see what the historical signals were, and their results, but historical data was also not available to see. Therefore, like the rest of the Crypto systems which proved to be scams, we feel that Weeds Millionaire is the same.

I just signed up for this a couple hours ago and I'm already up 100 dollars. And it was so easy, absolutely anyone could do it.

**Meghan Wilkerson**  
Okay, so I heard about this on the news and I went searching for a reliable system that could help me profit from the fast-growing marijuana stocks. I found your system and I'm so glad I did. I made more in a few days than I have in the last month!

**Mary Lee**  
The GREEN RUSH is so real!!! I've made over 1000 bucks in a day from just ONE stock. Yes, just one stock.

**Michael Reed**  
I have never seen anything with this level of accuracy and ease before. This has been built for beginners but works for all trading and risk levels.
