About Us Terms & Agreements

OffersFX complies with international regulatory standards and operates in Europe via Xtrade Europe Ltd, which is authorised and regulated by the Cyprus Securities and Exchange Commission with license number 106/10. OffersFX is subject to the relevant regulatory requirements as per the Markets in Financial Instruments Directive (MiFID II).

Trading in FX and CFDs involves a high risk of loss due to the leveraged nature of the trading which might lead to the total loss of your capital and which might not be appropriate for all types of investors. Please click [here](#) to read our full risk warning and ensure that you understand the risks involved prior to proceeding, taking into consideration your relevant experience. Seek independent advice if necessary. The information contained in this website and disclosure documents is of a general nature only, and does not take into account your personal circumstances, financial situation or needs. You should consider our [Client Agreement](#) carefully, and seek independent advice before deciding whether trading in such products is suitable for you.
