

Capital Safety

GMO has taken a strategic approach to manage the risk and exposure of our client's fund. All our client's funds are protected by the AFF Group's captive insurance scheme approved by the Labuan Financial Services Authority (FSA). This insurance scheme has passed a series of risk management measures which comprehensively improve our client's investment and fund safety.

Under the protection of this scheme, has fortified its commitment towards creating a safe and reliable investment environment for clients, providing our clients with ease of mind, as well as fosters long-term, valuable relationships that are based on mutual trust.
