Trading Forex (foreign exchange) or CFDs (contracts for difference) on margin carries a high level of risk and may not be suitable for all investors. There is a possibility that you may sustain a loss equal to or greater than your entire investment. Therefore, you should not invest or risk money that you cannot afford to lose. Before using CertainInvest services, please acknowledge all of the risks associated with trading. The content of this website must not be construed as personal advice. We recommend that

you seek advice from an independent financial advisor. We use cookies for the following purposes: to enable certain functions of the Service, to provide analytics, to store your preferences, to enable advertisements delivery, including behavioral advertising. We use both session and persistent cookies on the Service and we use different types of cookies to run the Service.
