

CRYPTO INVESTOR CV

Here is where your resume begins

ABOUT SAFE CROWN

One of the primary benefits of joining a membership at SafeCrown organization is gaining access to exclusive content.

This might mean educational resources, research reports, and industry insights that non-members cannot access.

The SafeCrown VIP club have special agreements with businesses that let members save money on things like event tickets, dining, and private events.

SafeCrown also has a partnership with local companies to offer members discounts on hotels, shopping, and entertainment.

Choose your account

Platinum

€100,000

Platinum+

€250,000

Diamond

€500,000

What is a Premium (VIP) account?

1. SafeCrown offers a wide range of services and tools to customers, according to their membership tier to enhance their experience and their understanding of the capital markets and our various investment offerings, such as stocks, crypto, Smart Portfolios and more.
How do I obtain membership?
2. SafeCrown Club membership is determined according to the client's tier balance as of midnight GMT each day. Provided you meet the tier balance requirement, you will be automatically accepted and see the club tier change the following day.
3. Platinum: €100,000
 Platinum+: €250,000
 Diamond: €500,000
4. I qualify for SafeCrown Club membership. When will my status be updated?
Membership upgrades are automatically processed within 24 hours of the tier balance requirement being met.
5. Can other SafeCrown customers see my Club tier
Absolutely not! Your tier balance level is private and, therefore, only you can see your membership.

OUR PEOPLE

Safe Crown is known for tackling complex challenges that require rigorous thinking and finding opportunities that others miss.

We do this by seeking out talented, committed people and bringing them together as a team. We encourage diversity of thought and value individual ideas, but we work together as a team to bring them to life.

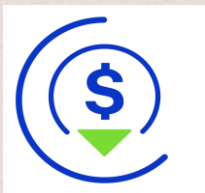

As we think about the next phase of Safe Crown' sustainability journey, it's about empowering every member of our team to embed sustainability into their actions and identifying where we can have the greatest impact as a company
